Configure your own unique version of the Leica X with the à la carte design options listed below. How does the ordering process work?

After choosing your options and entering your personal details, you can print out the form or email it to a Leica Store or Leica Boutique. The Leica Store or Leica Boutique will contact you as soon as your choice has been verified, and your order will be accepted for processing. Your dealer will be pleased to show you samples of a la carte materials and explain the options available.

1) CAMERA	ABODY		
Order no.	Colour	Price (US \$)*	Your choice

-	Flash cover		
-	Top plate	250 fixed price	
-	Back of top plate		

The engraving may be a personalised text, a signature or a symbol. Engraving costs are billed only once regardless of the amount of engraving required (number of characters, position and complexity). Text is engraved in Leica's standard font. Other fonts are available on request. For the engraving of your signature, please write in the boxes below. Please use the entire space within the box to enter your signature in black. Please include with your order any symbols to be engraved in as large a format as possible on paper, as a PDF file or as a graphic format file (e.g. EPS file).

FLASH COVER: Multiline engraving, max. 20 characters / Signature or small symbols

TOP PLATE: Single-line engraving, max. 16 characters

BACK OF TOP PLATE: Single-line engraving, max. 16 characters

^{*} The prices stated are recommended retail prices for the US market. Please ask your dealer for the local prices in your country.
